Oakdene Kitchen - Interior

In Australia, more than one in eight people (13.4%), and one in six children (16.6%) live below the poverty line after taking account of housing costs (ABS 2019-2020). The cost of living crisis has impacted many people in our area and The Salvation Army advise," *that with historically low rental vacancy, inadequate supply of social housing and thousands of families on wait list for public housing, the situation is getting worse for those already struggling to afford a full meal or a week's rent".*

Oakdene Kitchen Entrance

With groceries, fuel and other bills increasing over the last 12 months, *"more than 40% of Australian households have struggled to afford*

household basics in the last few months" Oakdene Kitchen aims to provide support via a hot, nutritious meal to people in need.

Located in Dale St Fairfield, Oakdene Kitchen is open Every Tuesday and Thursday 12:00pm – 2:00pm
