Children in Restaurants

Children are always welcome on our property, however, we do appreciate that you will respect fellow diners and ensure that;

- *All* children remain seated and supervised during their stay.
- Crying or distraught children are comforted outside the restaurant and all electronic games are switched to mute.
- We are a small venue and have no space for prams at the table. High chairs can be made available on request.
- Children's menus are available in each of our restaurants for children under 12 years of age.

There are workplace safety issues pertaining to unsupervised children in the busy areas of our restaurants. This is particularly relevant with wait staff carrying glass, heavy and sharp objects.
